32 High Ticket Affiliate Programs To Promote In 2017

If you are interested in promoting affiliate products, it is far better to look for high ticket affiliate programs to join and promote their product to your list or visitors.

The fact is that it almost requires the same effort to promote \$45 product and \$500 product. If the goal is to make \$2000 as an affiliate, it means affiliate has to sell more than 100 copies of 45 dollar product while it only requires selling less than 10 copies of \$500 product if the commission is 50%.

As a full time [affiliate marketer](#), it is better to find top high paying affiliate programs in different niches that pay huge commission ranging from \$100 to \$5000 instead of relying on low ticket commission that take much of your time.

I have taken my time to dig down the internet and found most of top paying [affiliate marketing programs](#) with huge commissions which I highly recommend for you if you want to make 5 figures monthly.

One of the best ways to make more money from an affiliate program is to promote high ticket affiliate programs where you can get high commissions.

Tips on how to promote high ticket affiliate programs

Promoting top paying affiliate programs is more or less the same way affiliate promote low products. It requires targeting an audience that will be interested in your offer.

It is very important to know how to make money with affiliate programs and how to promote high paying affiliate programs.

32 High Ticket Affiliate Programs To Promote In 2017

1. Promote to your subscribers.

One of the most effective ways is to promote the product to your list, if you have huge list of subscribers. If you have not started list building, you can sign up with autoresponder, one of the best email marketing software.

[Click here to sign up with getresponse free for 30 days.](#)

2. Using PPC to drive traffic to high ticket affiliate program

Facebook ad and twitter ad may work perfectly for promoting high paying affiliate commissions. Find offer, write the review of the product and drive traffic to the page. Alternatively, you can build list in the process and promote the offer to them.

3. Using social Media as a free traffic.

[Social Media](#) is also another area to look into when it comes to traffic but it may be time consuming to get targeted traffic especially if you don't have more followers on twitter and more like on Facebook page.

In summary, promoting high converting affiliate programs with high paying affiliate commissions has advantages more than low paying products.

Spend more time to research affiliate product to promote, target low keywords that can easily rank on search engines to increase traffic to your offers.

You can triple your affiliate earning if you are promoting one of the highest paying affiliate programs and increase your [online income](#).
